# About Us

At beat electronics we are more than just an online store. We are a passionate team of enthusiasts dedicated to providing you with top-quality products. Our journey began with a simple idea: to offer our customers a seamless shopping experience, exceptional products, and unmatched customer service. Our mission is to make your life better with every purchase, delivering both value and reliability. Thank you for choosing us and being a part of our story

# Problem

The problems during the site building.

## Problem 1

Open source resources availability.

## Problem 2

Minute errors during making layout of codes.

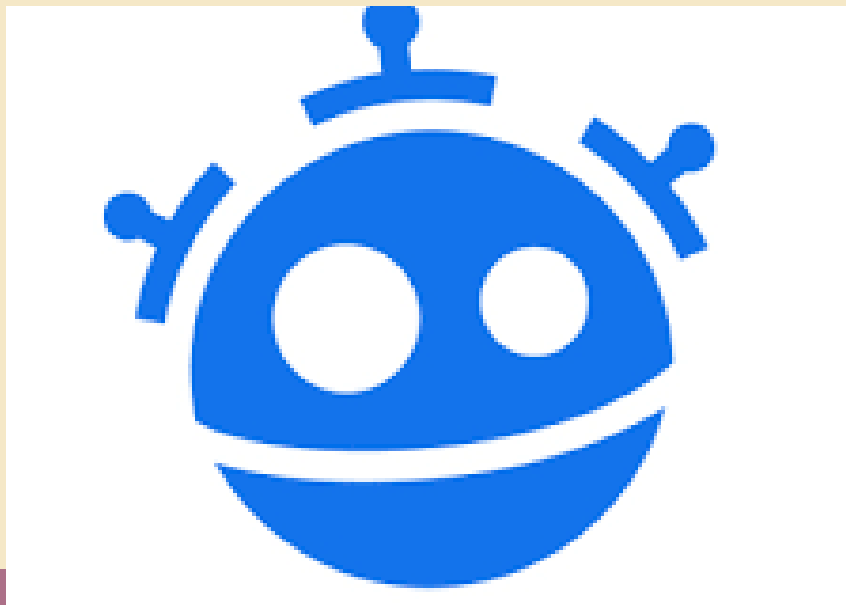

## Problem 3

Overall embedding of code.

# Solution

All steps are followed to overcome the problems during the site building.

## Solution 1

Freepik is an open source online website comprising of free resources such as images , icons ,etc.

## Solution 2

For all code related issues i used w3 school site to be clear about the tags and properties.

## Solution 3

For basic page layout and creative ideas.

Thank  
You!
